

REPORT TO PARISH COUNCILS JANUARY 2016 FROM CLLR LORRAINE LINDSAY-GALE

LOCAL GOVERNMENT SETTLEMENT

Oxfordshire County Council has now received details of future grant funding from central Government and the levels are even worse than feared. The council had been preparing for up to £50m of savings from 2016 to 2020 (on top of the £292m it is already in the process of making for the period from 2010 to 2018). However, on the basis of figures provided by central Government last month, OCC will have to make £20m further savings on top of the £50m, bringing the total saving to £70m over the next four years. Central Government has changed the formula for funding councils, and it seems shire counties, particularly in the south of England, have come off worst.

The list of proposed savings for £50 million was already controversial, with many members of the public opposing them. To achieve the additional £20 million savings, no area of the council can be exempt other than those where there is a statutory obligation to provide for the most vulnerable in the county. This means other areas will suffer disproportionately, which will involve some very difficult and controversial decisions. By law, the Council has to pass a balanced budget with no revenue borrowing. The Cabinet recommendations will be published 18th January for decision 26th January, before the budget goes to Full Council on 16th February.

DEVOLUTION

OCC Leader Ian Hudspeth, District Leaders, LEP representatives and health colleagues attended a meeting with the Secretary of State in December to put forward the case for Oxfordshire devolution. The meeting was very positive, however Government has not yet said what it will ask for or offer. Any move towards a Combined Authority is very much dependent on this and will be preceded by a governance review. All aspects of the offer and governance have to be agreed by each individual council before a Combined Authority can be created.

FLOODING

Oxfordshire's High Volume Pump has been deployed to flood-hit areas in the North to assist with operations. The pump is crewed by seven fire-fighters, all of whom volunteered to go and help – thus missing out on New Year celebrations with their own friends and family. OCC Leader Ian Hudspeth personally thanked them for their commitment.

OXFORD FLOOD ALLEVIATION SCHEME

A public drop-in event will be held on Tuesday 19th January in Oxford Town Hall. This event is running from 2:30pm to 7pm and is taking place as part of the consultation on the route options. All interested parties are invited to attend this event, or any of the other four local events:

- Wednesday 20th January – Abbey House (Council Offices), Abingdon, OX13 3JE
- Friday 22nd January – South Oxford Community Centre, OX1 4RP
- Wednesday 27th January – Kennington Village Centre, OX1 5PG
- Thursday 28th January – West Oxford Community Centre, OX2 0BT

The consultation is an opportunity for the public to view and comment on the various options that have been developed for the channel. It will be also be available online.

NEW OXFORDSHIRE LIBRARIES APP

Oxfordshire Libraries can now be accessed from smart phone or tablet. People can:

- manage their account
- search the catalogue
- renew and reserve books.

Bar code scanning is available on devices with a front-facing auto-focus camera.

Search for 'Oxfordshire Libraries' at the App Store or Google Play.

APPLICATIONS DEADLINE FOR PRIMARY SCHOOL PLACES

Families with children due to start primary school this year are being urged to ensure they don't miss the 15 January applications deadline.

Parents or carers of children born between 1 September 2011 and 31 August 2012 should visit the primary school admissions pages and apply online where possible.

Primary or junior school applications also need to be made for children currently attending an infant school who were born between 1 September 2008 and 31 August 2009.

COUNTY'S YOUNGSTERS IMPROVE IN CORE SUBJECTS

Oxfordshire's eleven-year-olds have surged ahead in reading, writing and maths tests, according to the latest figures.

The proportion of the county's pupils reaching Level 4+ in all three core subjects at Key Stage Two increased to 81 per cent in 2015 – up from 79 per cent last year.

It means the county has moved above the national average of 80% on this measure. The proportion of children making expected progress between the ages of seven and eleven is also higher than the national average for reading and writing, and in line for maths.

The recent Oxfordshire Reading Campaign, backed by the Oxford Mail and delivered by the National Literacy Trust, helped targeted primary schools make significant improvements in literacy attainment at Key Stage One and Two in recent years – with many schools intending to carry on using the programme.

Melinda Tilley, OCC's Cabinet Member for Children, Education and Families, said: "This campaign work has helped create and sustain a real culture of reading and writing in participating schools, and I think it's fair to say we are seeing this reflected in these improving results."
